To Be Held At  
McDONNELL FARM

**Yorkville, Illinois**

*Friday, September 15, 1950*

**Wm. H. McDonnell, Owner    Lonnie Hunter, Herdsman**

**For complete information about  
the herd, travel directions, hotel  
reservations, etc., please address**

**HAL LONGLEY, Sale Manager  
16 South Locust St., Aurora, Illinois.**

## *A Message from the Owner*

It was only after long serious consideration, and canvassing all alternate possibilities, that I have reached a decision to disperse my herd. My growing activities in Arizona require more time to be spent there and I cannot find time or energy to do both jobs well.

Believe me, it is with regret that I part with these cattle and lose the contact with the many fine people I have met in the Shorthorn and Polled Shorthorn business. I have enjoyed the pleasant associations these activities have brought me.

No other activity that I have engaged in has given me the thrill and satisfaction that has come from putting this herd together, from watching the improvements made in these fine cattle, in watching the calves come, develop and go out into other herds and do a good job for their owners.

Lonnie Hunter and his sons have labored hard and well to produce the kind of cattle that will do well. We all feel the sadness present when friends part.

I regret very much to sever these ties but circumstances dictate that I must. Therefore, this good herd will be sent to new homes on September 15th. I am very sure the cattle will do well for those who buy them.

Wm. H. McDonnell

## **Please Bring this Catalog to the Sale With You.**

The headquarters for this sale will be at the Aurora-Leland Hotel in Aurora, Illinois, approximately 15 miles from the farm. Reservations may be made by writing to Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois. Simply state the number of people in your party and the approximate time of your arrival. Transportation will be provided from the hotel to the farm.

## General Information

### TIME

This sale will be held on Friday, September 15th, at McDonnell Farm, Yorkville, Illinois. Due to the large number that are to be sold the sale will start promptly at 12:00 o'clock noon Daylight Savings Time (11:00 a. m. Central Standard Time). Lunch will be served at the farm.

### LOCATION

McDonnell Farm is located on paved highway 71, 6½ miles Southwest of Yorkville, Illinois, or 6 miles Southwest of the Junction of highways 47 and 71. The farm is 15 miles Southwest of Aurora, Illinois, and approximately 55 miles Southwest of Chicago.

### TERMS

The terms of the sale are cash.

### GUARANTEE

Because the owner has absolute faith in the reliability of the herd, the cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. This guarantee is printed in full in the back of this catalog. There may be a few odd entries that will be excepted from the guarantee but any such exceptions will be announced clearly from the auction block on sale day. In cases where animals do not live up to the guarantee, buyers must agree to accept the purchase price without interest in full settlement. Salvage in such cases will go to the seller.

### HEALTH

All cattle in this sale will be tested for tuberculosis and Bang's Disease within 30 days of the sale and a health certificate to that effect will be furnished when settlement is made at the close of the sale so that immediate shipments can be made.

### SALE HEADQUARTERS

The sale headquarters will be at the Aurora-Leland Hotel in Aurora, Illinois. The sale manager will be glad to make hotel reservations for you. Transportation will be provided to and from the farm.

### TRANSPORTATION

Since this farm is only 55 miles from Chicago, the sale is easily accessible to all. From Chicago you can take the Chicago, Aurora and Elgin Electric Railway to Aurora where transportation will be provided to the farm. Electric trains run once hourly.

### MAIL BIDS

Those who find it impossible to attend may send orders to any of the following: Hal Longley or Don Longley, c/o The Shorthorn World, Aurora, Illinois; Lyle Springer, c/o Drivers Journal, Union Stock Yards, Chicago; C. K. Tomson, American Shorthorn Breeders' Association 7 Dexter Park Ave., Chicago 9, Illinois; J. E. Halsey, c/o Wallaces' Farmer, Des Moines, Iowa; or H. W. Walker, 904 E. Maple Road, Indianapolis 5, Indiana.

### AUCTIONEER

J. E. Halsey and H. W. Walker.

## *A Message from the Sale Manager*

This dispersion, wherein the members of one of the largest and most royally bred herds in America are to be sold, is of utmost importance to every Polled Shorthorn breeder. Although we all regret that Mr. McDonnell no longer will be actively engaged in the business, no one can deny the buying opportunities that such a dispersion will make possible.

The herd was established approximately fifteen years ago. The quality of the original foundation and of those animals purchased regularly to strengthen the herd made it apparent from the outset that Mr. McDonnell intended to develop one of the greatest herds in the land, an ambition which has been fulfilled.

Although none of the cattle have received special preparation for this sale, the condition of the herd is excellent. The cows are in normal pasture flesh, the three herd bulls are in perfect condition to insure usefulness, and all of the calves and yearlings have been developed nicely. A dozen grand young cattle will be exhibited at the Illinois State Fair and these will make excellent replacements for other show herds.

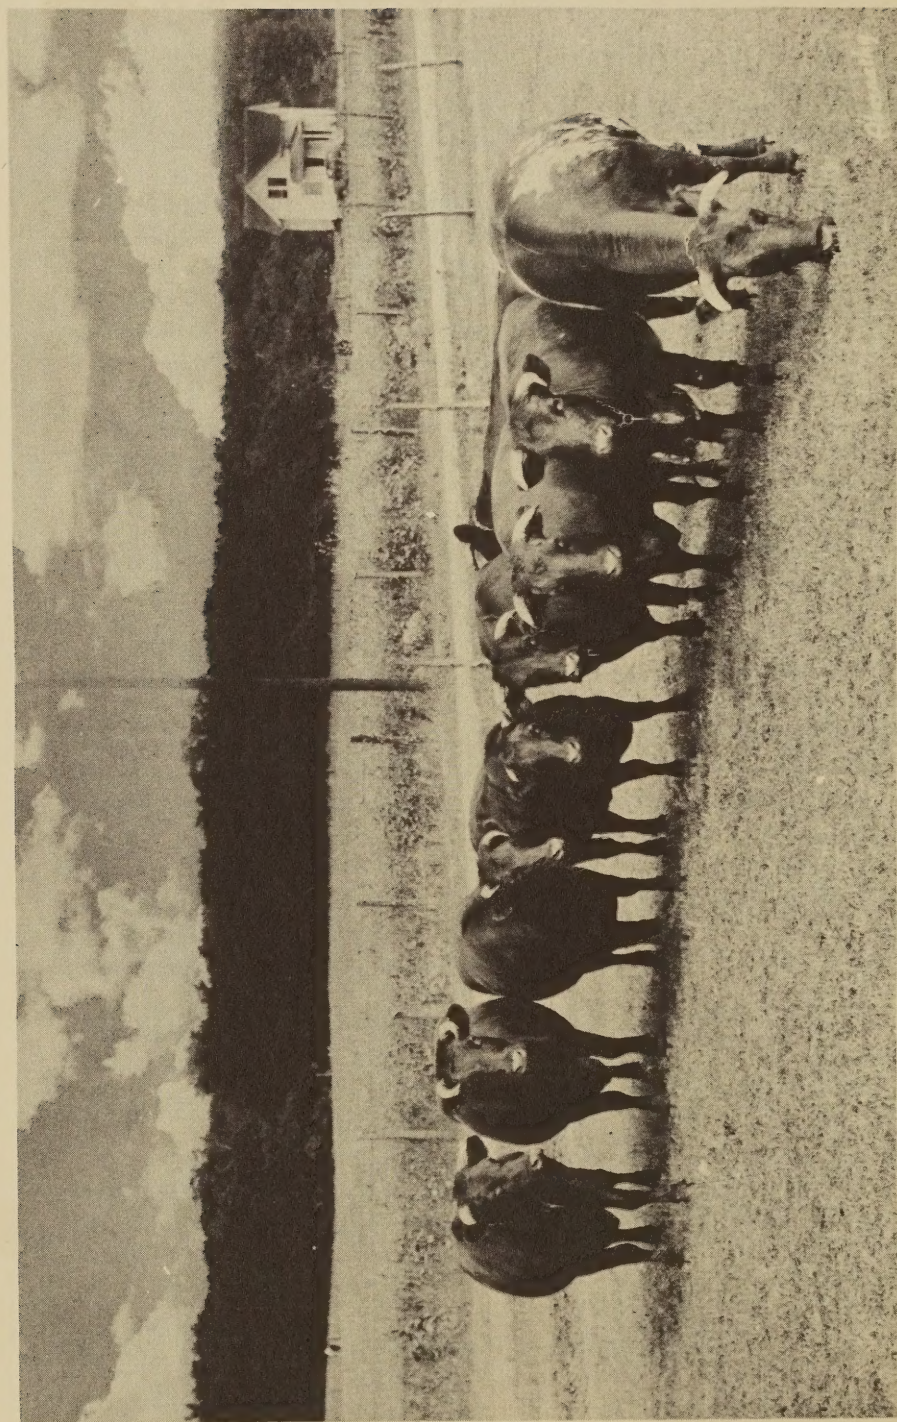

This herd is at its peak of productiveness. Because he has perfect faith in the future usefulness of each animal, Mr. McDonnell is selling the cattle with complete breeding guarantees.

In order to make use of the very choicest Scotch blood in his Polled Shorthorn breeding program, Mr. McDonnell purchased occasional royally bred horned females. These will be included in the dispersion and they are excellent.

This herd has produced an International grand champion bull as well as numerous National Congress and Illinois State Sale champions. This dispersion will provide wonderful buying opportunities.

-- Hal Longley of The Shorthorn World.

Above are shown eight of the excellent Shorthorn cows and helpers that are to be included in this complete dispersion. From left to right they are: Golden Bull Mayflower 2nd, Netherburn Clipper 5th, Clara 14th, Hillcroft Clipper, Golden Bull Broadhooks, Millbrook Lavender 3rd, Gipsy Bride 16th and Hickories Augusta 16th. In the rear is the cow Golden Bull Mayflower.

## Complete Dispersion

Above are shown a number of the grand Polled Shorthorn cows selling with calves at foot. From left to right they are: Walnut Grove Missie 2nd x, Lady Mayflower 11th, Lady Lustre 3rd x, Sand Prairie Queen 5th x. The calves shown in the foreground are by all three of the herd bulls.

## MCDONNELL FARM

Above is shown Maxwalton Walkaway x. He sold at the top price of a National Polled Shorthorn Congress and made a wonderful breeding record in the herd of Marshal L. Boyle. At the height of his breeding career he was purchased for use at McDonnell Farms and this sale offering contains much of his blood.

Above is shown Maxwalton Gloster 87th x, the dam of our International grand champion bull, Millbrook Crown. She was the top heifer in the 1941 International sale. We bought her for the express purpose of producing our own herd bull. The bull she produced won the highest possible honor, has proved a great breeding bull and he will be sold in this sale.

FRIDAY, SEPT. 15, 1950

## *Some History and a Few Facts*

Do you remember back in 1941 when McDonnell Farms purchased the great bull Mardale's Crown x, top bull of the National Polled Shorthorn Congress Sale? He proved an excellent sire and was the first of a succession of noted sires that have been used in this herd. Mardale's Crown x was the sire of Millbrook Sentry x and he, in turn, sired the famous Millbrook Crown x, grand champion Polled Shorthorn bull at the 1947 International Livestock Exposition. Millbrook Crown x, included in this dispersion, is 4 years old, has proved an excellent sire, and is at the prime of his life right now.

During the years, two other great sires had a beneficial influence through their use. Maxwalton Walkaway x, by Oakwood Impression Jr. x, was purchased from Marshal L. Boyle after a notable career in that herd. Coronet Aristocrat x, an outstanding son of Cherry Coronet x, was also used with great success.

Three great tried sires will sell in this dispersion..... Millbrook Crown x, the International grand champion; Millbrook Ximenes x, a top son of the noted Imp. Gosshall Ximenes; and Golden Bull Leader's Ransom, a horned grandson of the noted Edellyn Royal Leader. This latter bull is not as well known but those who see him on sale day will agree that he is one of the very best Shorthorn bulls to be offered anywhere this fall.

Although this is a polled herd, the owner made use of the very best Scotch blood in his Polled Shorthorn improvement program. A number of excellent and richly bred horned cows are included in this dispersion and these certainly should not be overlooked.

Not since the famous Cherry Hill Dispersion have so many royally bred Polled Shorthorns been offered in one private auction. This is your big buying opportunity this Fall.

# MCDONNELL FARM

Above is shown the International grand champion, Millbrook Crown x. This famous champion has proved an excellent sire. He is at the peak of his breeding career and will be sold in this dispersion sale.

MILLBROOK CROWN x - Grand champion Polled Shorthorn bull at the 1947 International Livestock Exposition. He won this high honor as a summer yearling and was admired by all. Today, as a 4 yr. old, he is a better bull than ever before and a proven sire of excellent calves. He is in perfect breeding condition. Those who have seen him recently will agree that he is a marvel for width, shortness of leg, spread of rib, depth of quarters, bone and substance. He has a great head and puts excellent heads on each of his calves. His calves are deep, thick and blocky. Seldom are International grand champion bulls exposed for sale. Here is one that is still young but that has proved himself a wonderful sire. Who will be the fortunate new owner?

**GOLDEN B LEADER'S RANSOM** - This grandson of the famous Edellyn Royal Leader was the top bull in the dispersion of the strong Golden Bull herd. He was purchased for the purpose of mating to the intensely bred Polled Shorthorn cows in the McDonnell herd. Whether you are breeding Shorthorns or Polled Shorthorns, this bull should be of interest because he is a marvelous individual with a great head, excellent balance, depth of body and strength of quarters. He is a sure breeder and good enough to head the strongest herd in the country.

YORKVILLE, ILLINOIS

## LOT 3 BULL

**WM. H. MCDONNELL**

**MILLBROOK XIMINES x2253389 RE-M 94**

Roan, David & Jas. Burns

MILLBROOK XIMENES x - One of the three tried sires included in this dispersion. His dam, a daughter of the International grand champion Oakwood Emperor x, was purchased in the 1943 Oakwood sale with the hope that she would deliver a bull calf that could be used as a herd sire. She produced this son of Imp. Gosshall Ximenes and he has been used with great success in the herd. Millbrook Ximenes x is level, smooth, well balanced and in good breeding condition. His dam also sells in this sale and there are plenty of his calves to prove his breeding worth.

FRIDAY, SEPT. 15, 1950

## *About these Cattle . . .*

The owner has perfect faith in these cattle. Because of this faith, the cattle will sell with breeding guarantees. This is unusual in a dispersion and sets this sale in a class by itself for buying opportunities.

The standard guarantee of the American Shorthorn Breeders' Association will be used except that the basis of settlement will be a refund of the purchase price in cash without interest in cases where animals fail to comply with the breeding guarantee. Salvage will go to the seller in such cases.

Those who study this catalog will find rich pedigrees. Those who attend the sale will find good individuals in normal pasture condition and with fine breeding records. There are many calves at foot to indicate that the mature females are producing regularly.

This is Cherry Hill Clara 5th, Lot 20 in this catalog. Not since the Cherry Hill dispersion have such outstanding females been offered.

**LOT 20 COW**

**CHERRY MILL CLARA 5TH x** - She is probably the choicest heifer in the Sale and without doubt one of the choicest to be sold this year. She stood 4th in class at the International and will be shown again at the 1950 Illinois State Fair. This beautiful daughter of Collynie Compact x is in calf since January 7, to the International Grand Champion, Millbrook Crown, Don't forget that she is a full sister to Cherry Mill Clara 4th that won the Championship at the 1948 Polled Shorthorn Congress in Kansas City and was the top selling female to Sperry Farms at \$2,500.00.

CHERRY MILL GLADNESS x - The kind of a cow that will improve any herd and backed by exceptional polled ancestry. One of her daughters was included in our consignment to the 1950 Polled Shorthorn Congress and she has a January, 1950, bull calf selling as a separate lot in this sale. She is bred to Millbrook Crown.

# *Standard Guarantee*

## **OF THE AMERICAN SHORTHORN BREEDERS ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

Please note -- The cattle in the W.H. McDonnell Dispersion Sale will be sold under the above breeding guarantee unless exceptions are announced from the auction block. In cases where animals fail to comply with the guarantee and suitable notice of such failure is provided from an accredited veterinarian, buyers must agree to accept the purchase price without interest as complete settlement, salvage to go to the seller. Thus the provisions in paragraph 4 of the above standard guarantee do not apply to this dispersion sale.
